- WiHD™ support for wireless 3D videos in full HD 1080p on HDTV
- Plug-and-play for connecting up to four HDMI-enabled devices
- Interference-free 60 GHz transmission optimized for multimedia

## Stream Crystal-clear 3D Media Wirelessly

The ZyXEL WHD6215 4-Port Wireless HDMI Kit brings you HD video streaming and gaming from anywhere in a room. Just connect Blu-ray players, media players, and game consoles to the WHD6215, you can immediately enjoy videos and play online games without any wiring arrangements to and from your HDTV.

### Benefits

#### Enjoy 3D videos wirelessly

With WiHD™ technology support, the ZyXEL WHD6215 4-Port Wireless HDMI Kit not only offers true 3D videos in full HD 1080p with 7.1-channel surround sound from anywhere to the HDTV in your living room, but also brings greater flexibility for designing home theater centers without the cluttered cables to and from your TV.

By transmitting over the 60 GHz band instead of 2.4 GHz, the WHD6215 brings you the true interference-free, reliable HD media streaming experience without lag or frame loss.
